tourism and conservation working in partnership

## About the Arran Trust

The Arran Trust is our island's visitor gifting scheme. The Trust funds projects which look after the beautiful landscapes and environment of Arran.

The Arran Trust was founded by VisitArran in 2010 with just five businesses and has grown steadily since. It is a registered charity (SCO4231) and generates thousands of pounds each year!

As our good friend Billy Connolly says:

*"The Isle of Arran is the true Gem of the Clyde. Loved by the residents, and adored by visitors, it is truly a miniature Scotland."*

A large number of island businesses work with the Arran Trust, and visitors can donate through shops, accommodation providers, eateries, food producers and other businesses.

Arran Geopark : Pathbuilding

Community groups then apply for funding for projects that will enhance our island, for you to enjoy!

Our dedicated Trustees oversee the organisation to ensure the values of the Arran Trust are consistently upheld.

All the Trustees have an interest in the environment, heritage and communities of Arran. They also understand the importance of tourism to the Island.

COAST: Educational Outreach Programme

Visitors are vital to Arran's economy.

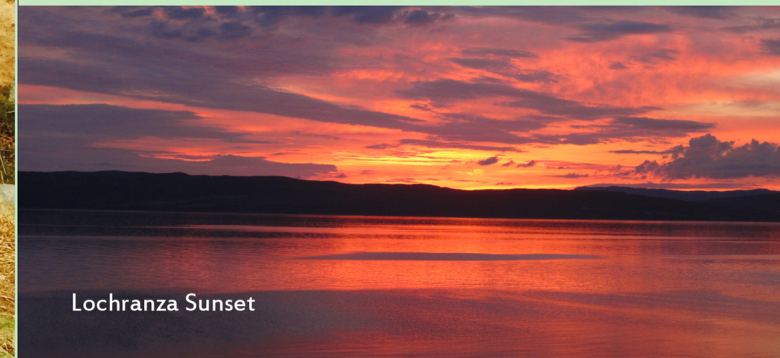

The Arran Trust enables tourism and conservation to work in partnership, which means ensuring that all the money raised goes to the places where it is most needed!

The Trust provides valuable fundraising for conservation and community projects throughout Arran. Projects we can consider include wildlife, paths and trails, marine, conservation and sustainability. Where possible, all projects should be accessible to members of the public, and should always benefit the local community.

We believe that it is essential that Arran thrives as an island for people to visit, live, work and play! Every now and again our beautiful landscape needs a little help from its friends.

Glen Rosa: Isabella Reid

Lochranza Sunset

Arran Access Trust: Machrie Stone Circles Car Park

Species Reintroduction: Black Grouse

Arran Coastal Way

If every visitor to Arran were to give just £1, we would have around £400,000 to spend each year on conservation, environment, community and heritage!

If you would like to raise money on behalf of the Trust, or discuss our work, we would love to hear from you.
